

## ABOUT

Nicole has over twenty years of experience in Tribal business and Tribal health care. Nicole is committed to working in partnership with Native communities to support health and wellness. It is a mission of hers to promote a healthy environments in Native health clinics throughout Indian Country and ensure the highest quality care is provided by maximizing all available resources and funding streams, provide support and advocacy, and any technical assistance needed, while honoring the traditions of Tribal nations. Prior to her work with Indigenous Pact, she served for 12 years as the Assistant Health Director for the Penobscot Nation Health Department. Nicole is an enrolled member of the Penobscot Nation and was recently elected to Tribal Council.
